

Minutes of the 8 December 2014
Regular Meeting of the Yancey County Board of Commissioners
Held at 6:00 o'clock p.m. in the Yancey County Courtroom
Yancey County Courthouse, Burnsville, North Carolina

Present at the 8 December 2014 meeting of the Yancey County Board of Commissioners were: Chairman Johnny Riddle, Commissioner Jill Austin, Commissioner Byrl Ballew, Commissioner Randy Ollis, Commissioner Jeff Whitson, County Manager Nathan Bennett, Clerk to the Board Jason Robinson, County Attorney Donny Laws, members of the media, and members of the general public.

Call to Order and Approval of Agenda

Chairman Riddle called the meeting to order. Chairman Riddle then asked Commissioner Whitson to deliver the invocation. After the invocation Chairman Riddle led the Pledge of Allegiance. Chairman Riddle then asked for a motion to approve the agenda. Commissioner Ollis asked that the agenda be amended to move the EMS update after the approval of the agenda in order to let Ms. Odom from Mission Health get back to Asheville. With the agenda amended, Commissioner Ollis made a motion to approve the agenda and it was seconded by Commissioner Austin. The vote to approve was unanimous (Attachment A).

EMS Update

The Board next heard from Ms. Susan Odom with Mission Health concerning the Board's desire to expand ambulance coverage in the county. Ms. Odom stated that she had heard from the Board of their desire to add an additional 24 hour 7 day a week ambulance for the county. She went to Mission to ask for this increase and was denied because of the lack of volume of calls in the county. When she brought this to the Board in May, the Board directed Ms. Odom to try to have the current 8 hour ambulance upgraded to at least a 12 hour a day 7 day a week ambulance. When she took this proposal back to Mission they once again denied the request but Ms. Odom asked for more data to be pulled which showed a need for the additional coverage. Ms. Odom explained to the Board that this would require an amendment to the existing contract and she had brought a financial impact statement (Attachment B). Upon hearing from Ms. Odom, Commissioner Ballew made a motion to authorize the county manager and county attorney to work with Mission Health to draft the amendment consistent with the agreement and further to authorize the execution of the amendment. The motion was seconded by Commissioner Whitson. The vote to approve was 4-0 with Commissioner Ollis abstaining due to his employment with Mission Health.

Public Comment

The Board next heard from Tom Robinson who spoke about illegal immigration.

Consent Agenda

The Board next moved to the consent agenda portion of the agenda. On the consent agenda for December were the approval of the November 10th regular meeting minutes and the December 1st special meeting minutes. Also included in the consent agenda was budget amendment #1 (Attachment C) and the holiday calendar (Attachment D-1). Finally, on the consent agenda was the November tax collection report (Attachment D-2). Upon hearing the items on the consent agenda, Commissioner Ollis made a motion to approve the consent agenda and it was seconded by Commissioner Whitson. The vote to approve was unanimous.

Tax Assessor Appointment

The Board next moved to the business of the tax assessor appointment. Mr. Jeff Boone, current tax assessor, has decided to move back to the mapping department in the position that he held for a number of years. Since that time a search has been ongoing to find a replacement for Mr. Boone. County Attorney Donny Laws advised the Board that it might be wise since the Tax Assessor is an appointed position by the Board to add the additional duties of Tax Administrator separately with the understanding that the additional duties may be amended. Upon hearing from Mr. Laws, Commissioner Ollis made a motion to appoint Danny McIntosh as Tax Assessor with the duties and responsibilities of Tax Administrator (subject to amendment), the same duties as Mr. Jeff Boone, for the unexpired term of Mr. Boone until June 30, 2016. The motion was seconded by Commissioner Whitson and the vote to approve was unanimous.

County Manager Business

The Board next heard from County Manager Nathan Bennett. Mr. Bennett informed the Board that the potential purchase of the former United States Forest Service building is moving along. Mr. Bennett stated that he would ask the Board to approve a resolution to send out requests for proposals (RFPs) for financing on the former US Forest Service building. According to Mr. Bennett preliminary conversations with the Local Government Commission (LGC), have been very favorable of the project. Discussion then followed about the number of offices that could be consolidated and the issue of access into the property. Upon hearing from Mr. Bennett, Chairman Riddle made a motion to approve the resolution for the RFP. The motion was seconded by Commissioner Ballew and the vote to approve was unanimous (Attachment E). Mr. Bennett next moved to a vehicle that Sheriff Banks has asked to be declared as surplus property. Because the vehicle is valued at over \$2,500 the Board has to act to declare it surplus. According to Mr. Bennett the vehicle in question is a 1996 black Chevrolet Suburban. Upon hearing from Mr. Bennett, Commissioner Ollis made a motion to declare the 1996 Chevrolet Suburban as surplus property. The motion was seconded by Commissioner Whitson and the vote to approve was unanimous (Attachment F). Mr. Bennett next informed the Board that the audit report has been delayed. This was a statewide issue having to do with problems created by the State. Mr. Bennett also stated that the Yancey County Senior Center is due to be opened in February and he also informed the Board of the County employee Christmas luncheon on December 23rd.

County Attorney Business

County Attorney Donny Laws stated that he had no business for the Board at this time.

Commissioner Business

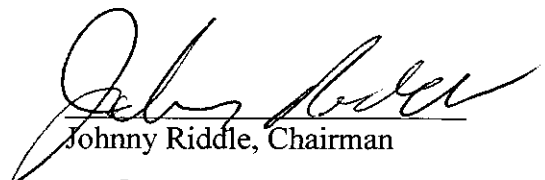

Commissioner Ollis gave the Board an update on the Yancey County Department of Social Services and the ongoing task of finding a possible new home for daycare. Chairman Riddle also spoke about moving a family into the area from Texas and how this was made possible (in part) by broadband expansion.

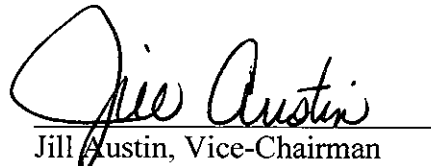

Adjournment

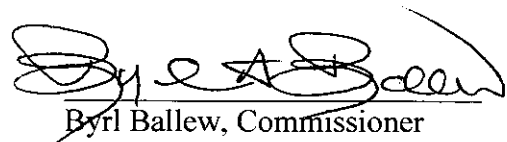

Having no further business Commissioner Austin made a motion to adjourn and it was seconded by Commissioner Whitson. The vote to adjourn was unanimous.

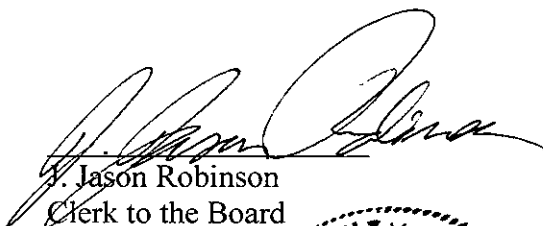

Approved and authenticated on this the 12th day of January 2015.

NOTES TO BUDGET AMENDMENT # 1

The purpose of this budget amendment is to adjust various revenues and expenditures that have changed since the adoption of the 2014-2015 Budget. The amendment covers various expenditure overages from unexpected repairs in our older buildings and flooding issues at the Toe River Campground. The increase in Property & Liability Insurance is due to an increase in the auto coverage, the small reduction of the ROAP and E&D Grant for YCTA, and several adjustments made to the Dept of Social Services budget. The net difference of this budget amendment is \$42,450 which increases the budget from \$20,531,540 to \$20,573,990.

If there are any questions related to Budget Amendment # 1 please feel free to call me at 682-3971 and I will answer any questions you may have.
